

VORSTEINER E92 M3 COUPE

The E92 M3 coupe features body flowing carbon fiber aerodynamic enhancements with a new add-on carbon fiber front spoiler, rear add-on diffuser with integrated fins and a light weight carbon fiber boot lid with an integrated spoiler.

The forged 3-Piece split 5 spoke wheels accentuates the sporty nature of the coupe with its unique rivet line design & hidden hardware.

To complete the package a carefully engineered titanium exhaust system with torched titanium engraved logo tips transforms the character of this beast.

Aerodynamic & Accessories Guide:

VRS aero front add on spoiler dry carbon fiber
VRS aero rear add-on diffuser dry carbon fiber
VRS aero boot lid w/ integrated wing dry carbon fiber
